

# ELECTROMOBILITY SEVILLE 2012

## Useful Information

### 1. VENUE

Engineering School of the University of Seville

**How to reach us:**

<http://www.esi.us.es/>

Avda. Camino de los Descubrimientos, Isla de la Cartuja, Sevilla

**Map:**

[http://aplicaciones.esi.us.es/english/ubicacion\\_etsi](http://aplicaciones.esi.us.es/english/ubicacion_etsi)

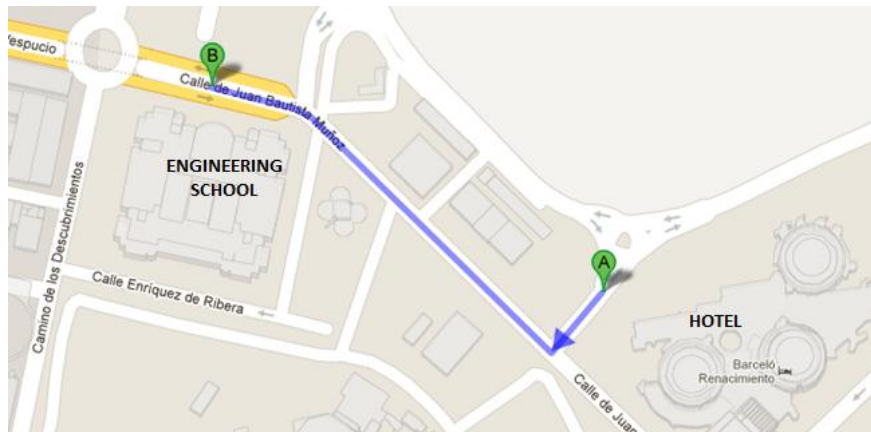

**From the Airport:** AIRPORTBUS until SANTA JUSTA TRAIN STATION. Once there, take a taxi to the Engineering School ("ESCUELA DE INGENIEROS"), or public transportation. The bus line from SANTA JUSTA to ESCUELA DE INGENIEROS is C2 (from ESCUELA DE INGENIEROS to SANTA JUSTA is C1).

### 2. HOTEL SUGGESTION

BARCELÓ RENACIMIENTO [www.barcelo.com/Renacimiento](http://www.barcelo.com/Renacimiento)

Avda. Camino de los Descubrimientos, Isla de la Cartuja, Sevilla  
(Short distance walking from the Engineering School)

The hotel is located in Seville, on the Cartuja Island, in Andalusia, the southern part of the Iberian Peninsula. The hotel is conveniently located, just a few minutes away from Seville's historic quarter, with the high-speed AVE train station and the airport close by. The Barceló Renacimiento is an attractive option for both business travelers and people interested in urban sight-seeing.

Name for booking: GPtech Technics Meetings

Price: 79€ double room/single room

**From the Airport:** AIRPORTBUS until SANTA JUSTA TRAIN STATION. Once there, take a taxi to the Barceló Hotel, or public transportation. The bus line from SANTA JUSTA to BARCELÓ is C2 (from BARCELÓ to SANTA JUSTA is C1).
